2.	Strassburg Kaserne:	
	a. Occupied by troops wearing red-bordered black epaulets, most of them without insignia, some with tank and artillery insignia, on 25 march and 14 April 1950.	
	b. Some windows were not lighted during the evening hours on 14 April 1950. We systematic training activity was observed in the daytime. Two trucks were parked in front of the bar-	25X1
	racks building.	
	c. Two soldiers deaned a field kitchen in front of another building.	
	d. Two lieutenants and 14 EM wearing baggage and rifles left the barracks going toward town at noon.	
	e. Twelve trucks were parked in front of the barracks. At about 1 p.m. the trucks started leaving toward town, individually and at irregular intervals. They were not loaded. A driver and an assistant driver were seen on each truck.	
-		
3.	(
	Occupied to capacity by 600 to 800 troops wearing red-bordered black epaulets without branch-of-service insignia	
4.	In early March 1950 a Soviet soldier stated that 500 troops arrived at the post on 27 February 1950. They were to go to the Koenigsbrueck troop training grounds after a three-week stay in Grimma.(2)	
5.	The former Soviet kommandatura had been dissolved and its officers with their families had departed.
